Our first speaker, **April O'Leary**, gave a talk filled with true stories and a convincing perspective --- "Who, Me ?! The Top Ten Reasons to Become an Author".

Our second speaker, **Thomas Keller**, gave a robust talk about the importance of a name and the payoff for being a good listener.

Our third speaker, **Tom Hudson**, shared a very moving talk titled "Momento Mori" which reminded us that we do not have an endless supply of time, and to focus on what is important with our days.

- Dr. Tom won "Best Speaker."

Each Toastmasters year-end (June 30), Toastmasters International calculates club goals and qualifying requirements to determine if the club may be recognized as Distinguished, Select Distinguished, or, at the highest level, **President's Distinguished**. Our club reached the enviable "**PRESIDENT'S DISTINGUISHED**" level of achievement earlier than any other Toastmasters Club in the District from Tampa to Marco Island!!!
